PART III---REPORTS

Board of Missions

Report No. 1

The Centenary

Brethren of the Conference, the status of our Centenary pledges is such as to cause the gravest concern. Unless these pledges are redeemed at face value, every interest of the Church must suffer disaster. Our General Conference Board of Missions calls attention to the fact that already it has faced the necessity of stopping all building work and all advance in the Foreign fields and cannot begin again unless these pledges are paid. In the homeland the situation is no better. All advance in our own Conference or in any part of our Connectional territory awaits the payment of the Centenary pledges. In our own Conference we are in no better fix. Either we must collect these pledges or find a way to get the money they would bring in thru an added assessment or let our fair State be evangelized and taken by some other body of Christ.

Dr. J. M. Glenn, of the South Georgia Conference, has been appointed Centenary Secretary for this Conference and the South Georgia. He takes the place of Dr. Ira S. Patterson in looking after all the interests of the Centenary among us. And we bespeak for him the fullest co-operation.

We have been gratified at the interest taken in our missionary work in Florida by the Home Department of our General Board as well as by the Foreign Department. The Home Department is mainly supporting our work among foreign speaking peoples in Tampa and Key West. It has also given us large help in the Lake Okeechobee Everglades region, and will take over that section for this year.

We begin the quadrennium with 53 mission charges. During the four years we have raised to self support 56 missions charges, have created 68 new missions and now have 61 missions. At the beginning of the quadrennium the average salary including appropriation paid to our missionaries was \$633.00, the average appropriation being \$223.58. We now pay an average salary, including appropriation, of \$1,120.00.

During the quadrennium our missions have raised for all purposes \$203,060.00, the average per capita payment being \$17.54. It is worthy of note that 25 per cent of our total membership in Florida Conference holds its membership in our missions, that 2,473 members were received last year by our missionaries, and that 11,884 pupils are in the Sunday schools of our missions.

Your Board feels that it would be unkind to our missionaries if it did not express to them its profound gratitude for their loyalty and abundant labors during these four years.

Evangelism

Our late General Conference set the keynote for the whole Church when it adopted that ringing resolution pledging the whole Church to undertake to bring to the feet of our Lord and to membership in our Church a million converts during the quadrennium. And our Bishop has given us added enthusiasm for the undertaking by his generous and ardent words. Shall we not pledge ourselves to our Bishop, our Church and our Lord to seriously undertake this great evangelistic movement, and to co-operate in the fullest way in all the

plans of our Bishop and his cabinet in whatever plans they may make looking to these ends?

Evangelists

Our Conference and approved evangelists have been in abundant labors during the year and have brought hundreds to Christ and to membership in our Church. We bespeak for them during the new year the place in our evangelistic campaign they deserve. Let all our pastors use them as far as possible.

Recommendations

We recommend to the Conference that it nominate to the Bishop for appointment as Conference evangelists the following: Rev. J. S. Chapman, and the Rev. I. M. Belt, to labor under the direction of the Board but without expense to it; Rev. M. B. Cox to be district evangelist in Tallahassee District, to labor under the direction of the presiding elder of that district and without expense to the Board; Rev. T. W. Carlton, a local preacher, to be District Evangelist for Bartow District under the direction of the presiding elder of that district and without expense to the Board; Rev. A. D. Buck, a local preacher to be District Evangelist for the Ocala and Jacksonville Districts, under the direction of the presiding elders of those districts and the Board and to have an appropriation of \$1,500.00; Rev. J. I. Whitworth, a local preacher, to be district evangelist for the Miami and Palatka Districts, under the direction of the presiding elders of those districts and of the Board, with an appropriation of \$1800.00; Rev. P. K. Rowell, a local preacher, to be appointed as District Evangelist for Gainesville District, under the direction of the presiding elder of that district and without expense to the Board; Rev. F. E. Tiffin, to be appointed as District Evangelist for Orlando District, under the direction of the presiding elder of that district and the Board with an appropriation of \$900.00, it being understood in every one of these cases that they shall make a report to the Board as the Discipline requires, and that those who receive appropriations shall be paid as the Board pays its other missionaries.

We also recommend that the Conference approve the following local preachers to be evangelists; Rev. John B. Culpepper, Rev. W. H. McLeod, Rev. Frank P. McCall, Rev. John B. Culpepper, Jr., Rev. Henry L. Ezell, Rev. T. E. York, and Rev. Sam A. McCook; and that the first three be recommended to the General Conference Committee on Evangelism for General Evangelists.

We recommend also,

1. That the Conference nominate to the Bishop for appointment as Conference Missionary Secretary, Rev. Ira S. Patterson, to give his whole time and to be paid by the Board his salary and travel.

2. That Rev. W. F. Dunkle be nominated to the General Conference Board of Missions to fill the vacancy in the Board from Florida caused by the transfer of Rev. J. B. Mitchell to the North Georgia Conference.

3. That W. F. Dunkle and Ira S. Patterson be appointed directors of the Conference Summer School.

Respectfully submitted,

W. F. DUNKLE, *Chairman,*

C. E. GUTTERIDGE, *Secretary.*

Board of Education

We desire to give in the beginning of this Board's report the marvelous work of the Board of Trustees of Southern College since the session of our last Annual Conference. One year ago we were housed in the buildings loaned to the Board of Trustees by Bro E. T. Roux. During this year there has been erected on your splendid campus at Lakeland the Woman's Hall and the Social Hall Building's, which are in kind and equipment unsurpassed in our great Church. The President's home, which was on the property when acquired, has been greatly improved, at his expense. This achievement has been made possible only through the loyal devotion of L. N. Pipkin, E. T. Roux and E. E. Edge. This Board for itself and on behalf of the Conference takes this occasion to record our appreciation.

That we are in debt is both a natural and necessary consequence, in view of the following facts:

1. One year ago we had no funds.

2. Out of the more than 13,000 pledges made to the Christian Education Movement, less than fifty per cent have had any payments made on them, though two payments on these pledges are past due.

3. Out of the \$774,500.00 pledges secured approximately only \$114,000.00 have been paid, and this includes several pledges which have been paid in full.

In view of the foregoing we recommend the following:

1. That this Conference pledge its hearty and earnest co-operation and support of the plans of the General Conference Board of Education in carrying on the Christian Education Movement.

2. That we endorse W. O. Lemasters as Secretary-Treasurer of the Christian Education Movement, and express our appreciation for his untiring services in connection with this movement.

3. That in view of our shortage in the collection of the pledges and the very urgent need for funds for the completion and carrying on of our work at Southern College, the size of the territory to be covered and the utter impossibility of the Secretary-Treasurer being able to cover the field, we respectfully recommend John A. Hendry to be Conference Secretary of Education, who shall, with the Secretary-Treasurer give his full time and effort in collecting funds for Southern College, the dissemination of Christian literature and the bringing home of every Methodist in Florida his responsibility in building and maintaining Southern College.

4. That beginning on March 1st of the coming year and continuing through the month of April, or until such time as may be necessary to carry this campaign into every church in our Conference, such time to be known as Christian Education Pay-Up Period, that every dollar then due on the pledges be collected and turned into the Treasury.

5. That this Conference pledge every member to hearty support and co-operation to this program and to Southern College.

6. That the third Sunday in June be designated as Southern College Day and there be a Special Service in each Church.

We further suggest that the Commission provided for by paragraph 462 of the Discipline, recently elected by this Conference be reduced to three members.

We further suggest that this Conference pledge its hearty co-operation with the General Conference Board of Education in prosecuting in our Conference the work of Religious Education in developing "a complete program of moral and religious training in the primary, grammar and high school grades of the public schools, and in providing for optional courses in religious and moral subjects to be offered in the colleges and universities of the State."

We recommend for appointment the following:

President of Southern College, Dr. R. H. Alderman; Professors in Southern College, Dr. Olin Boggess and Rev. Geo. F. Scott; Students at Emory University, George E. Summers, E. H. Crowson.

Respectfully submitted,

L. W. DUVAL, *President.*

JOHN A. HENDRY, *Secretary.*

Board of Trustees, Southern College

At the session of our Conference held in Orlando, last December, this Board was using borrowed quarters for your college; today Southern College is occupying its own buildings in its permanent home at Lakeland. One year ago you commissioned this Board to build at once a permanent home for our only educational institution; today

we come to you with the report that we have gone far towards carrying out this commission. We were then told to undertake a task that appeared impossible of accomplishing, there being no funds ready for the undertaking; with faith we began at once, and while we have been forced to borrow the funds, and have called largely upon three laymen, we feel that the work already accomplished at Lakeland justifies every step we have taken, and with confidence we present this report and ask ratification of our acts at your hands.

The payment of the Educational Campaign pledges has been slow, less than \$50,000.00 having come into our hands for building purposes. The necessity of opening the college at Lakeland was imperative. To meet this we were forced to borrow \$250,000.00, giving as security therefor a first mortgage upon our property and this was possible only when Mr. L. N. Pipkin, Mr. E. T. Roux and Mr. E. E. Edge guaranteed the payment thereof. We ask that you in ratifying this report approve our action in this respect.

That you may be advised of the present financial condition of Southern College we are attaching as a part of this report a summary financial report for your information, and this report we hope to place in the hands of every member of our church in Florida during the month of January.

We earnestly beg every member of this Conference to give his support to such organization program and campaign, as may be recommended by your Board of Education, for collecting all educational pledges in every charge during the months of February and March. We must carry on to its full completion the work already done, and we must at once provide at Lakeland a Boy's Hall and the Administration Building.

And not only do we want to stress the financial obligation resting upon you as well as upon the members of this Board, but we want to lay upon your hearts Southern College, that it may have your prayers, your unswerving loyalty and your active work in sending to its halls every Methodist boy and girl within the bounds of our Conference. Give all these to Southern College and let us build there an institution devoted solely to the religious training of our young people and to the keeping of the faith of our fathers.

There is one vacancy in the Board of Trustees and we nominate for your consideration and election if you approve, Rev. M. H. Norton for the term of three years. At this session of the Conference the terms of those Trustees elected at the last session to serve for one year expires. We nominate for your consideration and election, if you approve, the following, whose terms of office shall be for three years: Clerical, G. F. Scott, R. Ira Barnett; Lay, E. E. Edge, J. Edgar Wall and G. W. Tedder; Alumni, J. H. Daniel.

Of the spiritual welfare of our students and of the care given them in this respect by the members of the Faculty we cannot add to the report made by our three pastors living in Lakeland, who have made to us the following report:

"The pastors of the three Lakeland churches desire to offer the following brief report of Southern College as they have viewed it from the standpoint of the leaders of the religious life of the city.

1. We have made it our business to keep in close touch with both the Faculty and the Student Body. We have been in practically every class-room and observed the nature of the work being done in each room. We have attended the Chapel Services. One of us meets regularly with the Ministerial Association: we have also walked into the Y. W. C. A. meetings rather unexpectedly but much to our own profit. We have talked with individual members of the Faculty and asked very

direct questions. Last, but not least, we have them each Sabbath in our church services.

2. It is not therefore strange, having had such opportunities for close observation, that we should reach a few conclusions concerning "Our Southern College." Southern College is sanely, earnestly, definitely, practically religious.

3. The Southern College standard of education is high. Our close acquaintance with the individuals of the student body prepares us to confirm the statement recently made by a good Christian woman when she said, "For intellectuality, marks of Christian character, and all that goes to make up the real man and woman of worth,—the student body of Southern College, (with of course a few exceptions), have the finest faces of any group of young people I have seen for a long time."

4. Of the 26 members of the Faculty, all are Christians. Twenty-one are members of the Methodist Church and the other five are in full accord with the doctrines of our Church.

5. The discipline and general management of Southern College, which rests largely in the hands of President R. H. Alderman, is firm, yet kind, efficient, but always Christian.

6. The equipment of Southern College is all that could be desired as far as completed, and just as it should be when laying the foundations of a great Christian College. Our great task will be to see that buildings and equipment keep pace with the body of students who will be coming to Southern College in ever increasing numbers.

(Signed).

Board of Church Extension

Dear Fathers and Brethren:

This Board comes to the close of the quadrennium in the midst of a church building program unparalleled in the history of our conference. There seems to be a determination to be prepared to do the best work possible which requires a building suited to modern church life and work. The demands are growing more numerous and more insistent on this and the General Board to aid in meeting this need.

We are advised that it is the purpose of the General Board to begin the operation of the Insurance Department on January 1, 1923. The cost will be 10 per cent lower than the rates of the old line insurance companies. Full information may be obtained from the general offices.

Dr. J. A. Baylor, Supervising Architect of Louisville, Ky., should be consulted before a church building is started. He has plans for the smaller church as well as for larger ones. He should be called into counsel even when a local architect is employed, so that there shall be no mistake made in the building to be erected.

The assessment from the General Board for next year is \$4,530.00. Conference Board assessment is \$4,530.00. J. C. Ley Fund is \$900.00. The amount received on assessment 1922, \$2,366.71; J. C. Ley Fund, \$531.36. Grants made on the applications made at this conference were as follows:

Sunday School Board

In making this, our final report for the present quadrennium, we are glad to be able to report continued progress in this field of the work of our church. A few facts concerning our general work may be of interest. During the four years, there has been a noted increase in our Sunday school enrollment. During the last year, 1921, the increase in our enrollment was more than 5000 every Sunday. During the same year, there were more than 100,000 pupils united with the church.

The same marked increase in students in our training schools will also be noted. We shall not mention all the indications that are so favorable; but will remark that more than 15,000 credits were awarded to students in 1921. Our two training schools, one East and one West of the Mississippi, are attracting larger attention and have increased attendance each succeeding year.

In our conference there has been continued increase in the interest in our work, particularly so among our officers and teachers. Our present enrollment is much larger than four years ago, and the number of students in our training schools has also increased at a very encouraging rate.

During the past summer, we were not able to conduct our conference training school, because no facilities were at hand with which to conduct it. This school will be resumed next summer, holding its session at Southern College, in connection with the board of missions and the board of education.

During the year there have been held seven district training schools in as many sections of the State. The attendance on these and the number of credits awarded was very gratifying indeed. The interest awakened in all the schools that were touched has put our work forward at many new places. The plans of the Board for next year include eight such schools.

In order to carry forward the work committed to our hands, we again ask you for an allotment of \$10,000.00 which we most sorely need in this field of labor. Our budget for 1923, a copy of which is hereto attached, will show the purposes for which this fund is desired.

In conclusion, we wish to thank all those who have in any way contributed to the progress we have been able to make. We recommend most highly the faithful work of our Field Secretary, Mr. F. M. Williamson, and our elementary worker, Miss Lola Lawler. These have been employed by the Board for the coming year; and to this we ask your hearty approval. And now, as this Board is retiring and a new Sunday School Board takes up the task, we ask for them the hearty co-operation of our pastors and workers throughout our conference.

Conference Epworth League Board

We are pleased to report that in both membership and Chapters there has been a decided gain during the past year. There are now 266 Chapters, and 9,157 members.

Last year we reported 7 Unions, this year we rejoice that there are organized and active 24 League Unions. The spirit developed by these Unions represents activity by the young people which augurs for a new day in our church life, and in which we believe continues the spirit of Wesley in his anxiety that the Church properly conserve the preached Word through organized efforts.

Life service responses for full time Christian work continues to characterize the work of the young people's societies. It is recognized that only through careful instruction under the guidance of the church can we expect our young people to assume these definite places of leadership. To this end let our pastors see that all names of volunteers be reported to the proper authorities and seek to give them all possible guidance.

The Assembly held last June registered an attendance of 225 delegates and visitors. The spiritual results of the Assembly fully met the high standard expected from the work of class room and platform. In the development of the future programs it is the purpose of the Executive Committee to develop our own Conference men in the work of speakers and instructors.

The work of the Field Secretary, Miss Alice Crone, is well known to the members of this Conference. The Board approves her continuance in this office under the policies which have been approved by the Executive Committee. During the year she has held 7 Young People's Revivals, visited approximately 107 Chapters, conducted 10 Institutes (from three to five days in length), organized 7 Unions, 9 new Chapters. In her revival work we note with especial interest one item in which over 300 young people definitely agreed to give up card playing and dancing.

Again we mention the importance of observing Anniversary Day and call attention that it is now to be held on the second Sunday in April. This service is intended to be a public service for the entire congregation at which time an offering should be taken for Epworth League Extension and promptly forwarded to the Conference Epworth League Treasurer. (See paragraphs 434 and 416 of the Discipline).

The Epworth League is not a money raising organization. Your interest is solicited in helping young people discover their places in assuming financial obligations as church members rather than as individual organizations of the church. Spiritual results must be recognized as the outstanding objectives of our young people's work, to which end they will be true if given the proper encouragement.

Temperance and Social Service

Whereas, forty-four states of the Union have state codes to enforce their own prohibition laws, and forty-six states have ratified the Eighteenth Amendment which has become the supreme prohibitory law of the land, making the United States the first nation of the earth to adopt national prohibition, and

Whereas, while prohibition has vastly improved conditions in every walk of life, especially in commerce, the schools and the homes, yet these state laws and the Eighteenth Amendment are being so grossly violated in various parts of our country as to approach conditions of anarchy, especially in our own state, and

Whereas, United States Aattorney General Daughtery declared in his annual report as follows: "Rum running vessels of American and foreign registry, carrying liquors from foreign ports to our shores, swarm along our seaboards, smuggling liquors into the United States in violation of our laws, and

Whereas, President Harding, in his message to Congress on December eighth, declared that, while "The day is unlikely to come when the Eighteenth Amendment will be repealed," yet "In plain speaking there are conditions relating to its enforcement which savor of nation wide scandal. It is the most demoralizing factor in our public life," and,

Whereas, these things being so, therefore, in order that the United States may be true and faithful to the declarations in its Constitution and the Amendments, and be a righteous example among the nations of the earth, be it

Resolved, First. That, as a guarantee of the perpetuity of the government, the laws of the government, including the Eighteenth Amendment, shall be enforced; that all its citizens shall obey all the laws; that to obey only the kind of laws we like breeds anarchy; that the idea that an enforcement officer, municipal, state or national, is at liberty to permit any law to be violated is monstrous; and that any citizen who violates them by buying intoxicating liquors is a criminal as well as the man who makes or sells it.

Second. Resolved that we commend the Attorney General of the United States in his orders to the United States District Attorneys to push all pending liquor cases, keeping the dockets clean, up to date; and to District Judges to impose the severest penalties possible on convictions in liquor cases; and in instituting nuisance proceedings, closing for one year all buildings used for or in violation of the liquor laws.

Third. That we commend the President in his decision to call together in January the Governors of all the states for a conference with the federal executive authorities to consider the difficulties arising out of concurrent jurisdiction in the enforcement of the Eighteenth Amendment, and to devise ways and means for its better enforcement.

Fourth. That we commend the governor of this state in removing certain county officers who were derelict in enforcement duties, and at the same time we call his attention to conditions in several parts of the state that border upon anarchy, where life is not safe because there is scarcely a semblance of law observance or enforcement.

Fifth. That we memorialize the coming session of the Legislature requesting the passage of an effective search and seizure and other such necessary measures for the effective enforcement of our prohibitory laws.

Sixth. That since it is notorious in this state that "wet" newspapers defend and encourage bootlegging, shinemaking and rumrunning, be it resolved, that the press of the entire state be furnished with a copy of these resolutions with a request to publish them, and to assist in the mobilization of a healthy public sentiment for the patriotic observance of our country's laws, which will guarantee the sanctity and perpetuity of the institutions of liberty which we defend, protect and love.

We recommend the appointment of Rev. C. W. Crooke as Superintendent of the Anti-Saloon League.

We recommend to the Legislature of Florida:

First. The enactment of a law that will give the Bible a larger place in public education; that will, at least, provide that it be read every day in every public school.

Second. The enactment of a law providing for the proper censoring of motion picture films under the supervision of a State Board of Censors.

W. A. COOPER, *Chairman.*

C. W. MATHISON, *Secretary.*

Board of Lay Activities

The Conference Board of Lay Activities beg leave to report that we have completely organized for effective service during the coming year and plan through our district, charge and church lay organizations to carry out the entire plan as submitted by the General Board, but propose to place special emphasis on the following: First, Evangelism, giving special attention to the erection of family altars in every Methodist home. Second, collections in full, which includes Conference Claims, Centenary and Education. Third, Stewardship and proportionate giving.

We place our organization at the complete disposal of the Board of Finance in the preliminary work of the Superannuate Endowment Fund Program.

We appreciate the co-operation of all our pastors for we can only do our best work for them by working closely with them.

We nominate L. P. McCord, of Jacksonville, Conference Lay Leader for next year.

Respectfully submitted,

C. R. MORGAN, *Secretary*.

Orphanage Board

It is indeed gratifying to the Orphanage Board to give an account of the most important trust committed to them. It is, therefore, with pleasure that we submit the following report:

We have a very happy, healthy, vigorous and prolific family. We have grown from sixty-eight to ninety-three during the year—a most remarkable and unsurpassed health record. The children have enjoyed most excellent health, no illness of sufficient moment as to require the services of a physician. We wish to record here with thanksgiving to our Heavenly Father, that since the very beginning of our institution, we have not had a death. This bespeaks to you of the healthy locality and the wise supervision of those in charge.

Seventy-four of the children are attending the local public school and are doing excellent work. We have provided a most capable teacher for our high school pupils. We have ten pupils taking the studies in the ninth and tenth grade as required by the State. We have made a beginning in vocational training. We have pupils taking shorthand and typewriting, manual training, domestic art and printing. Besides this we have a splendid school of music, twenty-five girls making rapid progress on the piano. A band has been organized, instruments have been purchased, a competent director employed and seventeen of the children are making fine progress in this work. Special attention is given to the moral and religious training. Morning prayer and scripture readings are attended by all the household and vespers are held every evening. Regular Sunday School and prayer meeting are attended on Sundays and Wednesdays. For two years the Intermediate League has held the State banner for the best all round work and the Senior holds the banner for attendance upon the meeting of the Central Florida League Union.

Our increased numbers have necessitated making more room. We have enlarged the dining room and sleeping apartments for the girls at the cost of Two Thousand (\$2,000.00) Dollars.

The demands of this rapidly growing institution are becoming more and more; at present there are some very urgent necessities that must be met in the near future; some of these are a baby dormitory, an administration building, a manual training and vocational building and a residence for the gardener. It is the purpose of the Board to meet these demands and to make adequate provision to take care of every interest as rapidly as possible. The immediate pressing demand will call for the outlay of at least \$25,000.00, this coming Conference year.

The Board is very grateful for the splendid and liberal co-operation it has received from all our churches, Sunday schools, Epworth Leagues, Women's Missionary Societies and to each and every individual contributing to the welfare of this Institution: We desire to call special attention and to acknowledge our great appreciation to two very liberal and generous gifts; one is a gift of Ten Thousand (\$10,000.00) Dollars by that liberal hearted man, a lover of the children, Calvin Brinkley, of Jacksonville; this is to be known as the Brinkley Endowment Fund; the other is a gift of another very liberal and generous man, D. E. Williams, of Williston, of a section of land valued at Six Thousand Four Hundred (\$6,400.00) Dollars, as a Memorial Fund to his son Bryan. We trust this is but a beginning of the endowment fund of several hundred thousand dollars.

In view of the fact of the rapid growth and increased demands the Board respectfully asks for the same loyal co-operation and liberal support.

The Board respectfully recommends:

First. That the agent be retained in the field.

Second. That Dr. J. R. Cason be appointed by the Bishop as Superintendent and Field Agent.

Third. That the pastors receive him in their churches, to plead for the Orphanage, and to co-operate with him in the work.

Fourth. That the assessment for the maintenance of the Orphanage be the same as last year, Fifteen (\$15,000.00) Dollars.

Fifth. That the Conference Treasurer receive and hold the Orphanage money, as a separate item, and the Conference Commission on Finance recommend the assessment be distributed among the districts, as are other assessments and request the District Stewards to lay the Orphanage collection as a separate item from the conference work budget.

Sixth. That each fifth Sunday be observed as Orphanage Day in the Church and Sunday school, and that each Sunday school Superintendent and Pastor, be requested to present the claims of the Orphanage, raising the collection by free will offerings.

Seventh. That we request each pastor to appoint sometime during the month of January an Orphanage Committee, consisting of three to represent the local church in connection with the Orphanage Board.

Eighth. That we nominate for the Board of Trustees, for the next quadrennium, J. R. Cason, S. Hardin, F. Pixton, G. H. York, J. W. Austin, M. H. Norton, J. P. Hilburn, C. Brinkley, C. E. Howard, H. B. Carter, J. H. Mercer, Edward Robson, R. A. Gray, L. P. Hagan, and W. H. Cassady.

Ninth. That an Auxilliary Committee be appointed of one woman from each district to co-operate with Field Agent in organizing the districts. The following are appointed: Mrs. P. N. King, Miss Alice Crone, Miss Emma Tucker, Mrs. Edna Fuller, Mrs. W. M. McIntosh, Mrs. J. Lawton Moon, Mrs. L. P. McCord, Mrs. R. B. Rutherford, and Mrs. W. W. Clyatt.

Tenth: That we recommend that the last week in October be observed as Harvest Week.

Trustees of the Florida Christian Advocate

Our conference paper continues to render the church valuable constructive service. Many have voluntarily expressed the opinion that it ranks among the best of the conference organs of our church.

The adoption of the budget plan by a number of our churches has this year run the circulation up to above 8,000 copies. Indeed, for a short period, the Tampa District was said to have the paper in every Methodist home in the district. This is, so far as we know, the only instance in all Southern Methodism where this has been done.

Our last General Conference recommended the general adoption of the budget plan in all of our churches. If this were done in the Florida Conference it would run the circulation up to nearly 15,000. We earnestly hope that every presiding elder will strive to make his district 100% in this respect this year; and that this will be done early in the year.

Our Publishing Company has added considerably to its facilities during the past year, and is prepared to handle such an increased circulation with dispatch and efficiency. Their co-operation with our Editors has been unfailingly generous: and to them, in no small degree, is due the increasing success of the paper in reach-

ing and serving our constituency. We again commend them to the good will and patronage of our people.

Some effort has been made during the year, as directed by the last conference, to increase our Endowment Fund. Owing to the enormous pressure for funds for the College, and other causes, no money was secured as a result of these efforts; but several of the Stockholders in the Florida Methodist Publishing Company have kindly donated their stock to the Trustees of the Advocate. Their holdings now amount to \$850.00, almost one-tenth of the common stock of the company. It is believed that other stockholders have similar action in contemplation. We recommend that the efforts to increase this fund be continued, as far as practicable.

The terms of three of the Advocate Trustees expire with this conference: E. C. Calhoun, F. D. Jackson, and D. W. Hall. We recommend their re-election for the four-year term.

We recommend the re-appointment of Rev. J. Edgar Wilson as editor and publishing agent; and of Rev. D. B. Sweat as associate editor.

We request that the Advocate assessment be placed for the coming year at \$6,000.00.

We recommend the election of Rev. A. C. McCall to fill out the unexpired term of Rev. J. F. Bell, resigned.

L. D. LOWE, *President*
HOLMES LOGAN, *Secretary*

Christian Literature

Your Board of Christian Literature has carefully considered all matters referred to us.

We most heartily commend the *Florida Christian Advocate* to all our people. Our paper has improved from year to year, and the Conference number was indeed a fine number. The Advocate is needed in all the work of our Florida Methodism. The churches that place it in the budget and send it to every member will find it a splendid investment in the work of the church.

The General Organ of our church is worthy of a place in all our homes, and should have a much larger circulation among our people.

The Quarterly Review is ably edited and if widely read by our preachers and laymen will fulfill a very useful mission in our church.

Our Publishing House has done a largely increased business during 1922 over any previous year. Our people ought to buy and read many of the excellent books on sale by our own church.

We especially call attention to the tracts published by our house which will be furnished at cost to all self-sustaining churches in our Methodism and free to all mission churches. We trust that all our preachers will see to it that their people are supplied with these tracts. The thoughtful reading of good books, tracts, and the excellent papers provided by our church would greatly increase the intelligence and efficiency of preachers and people.

Trustees Preachers' Relief Fund

The Board of Trustees of the Preachers' Relief Fund beg leave to submit the following report:

Rev. B. K. Thrower, the Board's very efficient field secretary, has completed another year of most valuable service to this Board and in behalf of the interests involved in its work.

Through Brother Thrower's tireless labors this year the Tomkies Memorial Home in Tampa has been completed at a cost of \$4,300.00. A splendid bungalow home has been completed and furnished in Lakeland at a cost of \$3,000.00. Four lots secured at Lake Wales, conservatively valued at \$2,000.00, and two lots secured in Plant City, valued at \$900.00. Brother Thrower has also raised in cash this year \$2,933.53 and one Orange County Hospital Bond, par value \$100.00, same to be added to the Endowment Fund of the Board.

Through a benevolent gift from Rev. J. L. Kilgore, formerly a member of this Board and now a superannuate member of this conference, this Board will shortly come into possession jointly with the Orphanage Board of forty acres of land in Manatee County valued at about \$1,000.00.

We respectfully recommend the re-appointment of Rev. B. K. Thrower as field secretary of the Board for the ensuing conference year.

We recommend the following changes in the personnel of the Board: Gus A. Davis in place of Dr. I. S. Patterson, and H. E. Carlton in place of J. P. Phillips.

RESOLUTIONS

THE LEGAL CONFERENCE

Whereas, the Florida Annual Conference of the M. E. Church, South, is a body corporate by a special act of the Legislature of the State of Florida; and

Whereas, it is important that the charter be made known to all the members; therefore be it resolved:

1. That we ask the president of the Legal Conference to furnish the secretary for publication in the Minutes a certified copy of the charter of the Legal Conference; and

2. That the president and secretary be required to furnish annually a report for publication in the Minutes.

W. F. DUNKLE.

IRA S. PATTERSON.

J. W. BARTON

Whereas, the last General Conference of our Church elected Mr. J. W. Barton as one of the agents of our Publishing interests, which interests are vital to the work of our great Church; and

Whereas, Mr. Barton is fully measuring up to the demands of an aggressive and successful management of these vital matters and is manifesting great business ability in the conduct of the large interests committed to his hands; and

Whereas, it has come to our knowledge that the trustees of Southern Methodist University have tendered Mr. J. W. Barton the presidency of that institution which carries with it a great opportunity for usefulness as well as no small honor; therefore

Resolved, That believing as we do that the call of the Church voiced by the General Conference is the call of God, we, the members of the Florida Conference, do unhesitatingly and most earnestly urge Mr. Barton not to sever his official connection with the Publishing interests of the Methodist Episcopal Church, South.

PART IV---MEMOIRS

SEYMOUR GRADY.

Seymour Grady was born in Hardy County, West Virginia, February 10, 1875; was converted at Pine Grove Church, Hardy Circuit, at a meeting held during the year 1893 and joined the church. He was licensed to preach by the Quarterly Conference of the same circuit, December 3, 1894; admitted on trial into the Baltimore Conference, M. E. Church, South, in the spring of 1898; ordained deacon by Bishop Candler, 1900, and elder by Bishop Galloway in 1902, and served the church for nine years in that conference.

On May 23, 1900, he married Miss Behethlen A. Tucker of Fairfield, Va., and this union was blessed with four children: Eunice, Evelyn, Marian and Seymour, Jr.

In 1907 he was transferred to the South Georgia Conference; and from thence to Florida in 1909. In this last field he served as pastor in Worthington Springs, Sarasota, Leesburg, Palatka, St. Augustine, and Tallahassee; and toward the close of his second year in the Capitol City, after a brief illness, passed from labor to reward, October 16, 1922.

Brother Grady was a man of warm heart and cheerful disposition, which under grace made him a pleasant companion. He thought deeply in spiritual truth; and held firmly and fearlessly to his convictions of right.

As a preacher, he was forceful and helpful and was always heard with pleasure. As a pastor, he was painstaking and tender, visiting regularly the homes of the people and especially among the poor, ministering in temporal as well as spiritual things. He gave freely and fully of his best to the cause he loved; while to the loved ones of his own home, the wealth of his noble manhood and tender heart.

Our brother lived and wrought well; and in dying thus in the prime of his life left an ineffaceable testimony to the sufficiency of divine grace and the certainty of a deathless hope. "Our people die well."

H. E. PARTRIDGE,
for the Committee.

THOMAS S. ARMISTEAD.

Rev. Thomas Stewart Armistead, the subject of this memoir, was born in Gadsden County, Florida, July the 23rd, 1842, and entered into "The General Assembly and Church of the First-born which are written in Heaven" November 10th, 1922, from Bartow, Florida, in his eightieth year.

Born of godly parents, trained in a Christian home and converted at an early age, his whole life was devoted to the uplift of the world. His heart beat high with an unquenchable desire to help God save a lost world and share in its final conquest.

Our ascended brother was a hero of two wars. In the war between the States, in the lamentable fratricidal strife of the sixties, he enlisted in the Confederate army May 13th, 1862, and for four long, bloody years he did his duty to his country. His prison experience was most eventful and tragic. Lieut. Armistead was the last survivor of the immortal "Six Hundred" who were captured in the battle of the Wilderness, Virginia, May 6th, 1865. In a hospital in Washington, in a dungeon in the old capitol prison, at Fort Delaware, Charleston, S. C., at Morris Island where, with other prisoners, he was placed under

fire of the cannons of their own army, which were defending the city, then being bombarded by federal gunboats. Our brother's last sad war experience, before he was honorably discharged June the 17th, 1865, was with others in Fort Paulaski, where he was fed on rotten corn meal and pickles. These were some of his frightful experiences.

But, higher and nobler than his patriotic services to his country was his loyalty and devotion to Jesus Christ, the Captain of his salvation. He was a good soldier of Jesus Christ. I think he was a fearless man and that he never quailed before any foe. He seemed to have passed through the evils of war with his manhood and Christian character unimpaired, as he was licensed to preach January 6th, 1866. He was ordained deacon in 1868 and elder in 1870 by Bishop H. N. McTyrie. What holy hands were placed on his devoted head!

In the forty-three wears of his active ministry he never had anything approaching a first-class appointment. Missions and circuits were assigned him, some of them hard appointments, where support was meager, yet he was never heard to complain. His pure life, coupled with the plain and earnest preaching of the Gospel, made his ministry useful. "His speech and his preaching was not with enticing words of man's wisdom, but in demonstration of the Spirit and of power: that their faith should not stand in the wisdom of men but in the power of God." Like Barnabas "he was a good man, full of the Holy Ghost and of faith and much people were added unto the Lord."

Since his death his youngest son, Thomas Bryan Armistead, has written saying that he has been converted and is preparing himself for the Christian ministry. What a joy it would have been for him to know that his mantle was to fall upon his youngest son. Perhaps he knows. If so, he is striking his harp with bolder strains and is singing in notes almost divine "Worthy is the Lamb that was slain to receive the power, and riches, and wisdom, and strength, and honor, and glory, and blessing."

For several years Brother Armistead was much afflicted, but was a patient sufferer. A few years ago he was visited by the member of the Conference who is officially charged with looking after the superannuated preachers, and was found living in a shack of a home in Bowling Green. His wife observed on that occasion "you see, we are almost out of doors." In a few months he moved into a good home in Bartow, provided by as generous a people as our Lord has on earth. There he lived without anxiety, tenderly ministered to by his family and his devoted pastor and people, until the end came.

A number of his ministerial brethren offered tributes of love to his memory at his funeral and devoted men bore his body to its burial.

He leaves a widow and three daughters of tender age to the good providence of God and the helpful and loving care of his Conference.

Brother Armistead was called away not too early or too late, "but came to his grave in a full age like as a shock of corn cometh in his season."

B. K. THROWER.

WILLIAM NICHOLAS SHEATS.

William Nicholas Sheats was born at Auburn, Georgia, March 5th, 1851, and died in Jacksonville, Florida, July 20th, 1922. He attended the public schools of his native state and graduated from Emory College with A. B. degree 1873, and M. A. from the same institution in 1876. From Emory he went to Moore's Business College, in Atlanta, Georgia, and completed a business course. In 1913 Stetson University, DeLand, Florida, conferred the L.L.D. degree upon him. He

earned by manual labor the funds with which to pay for his education, and entered educational work upon graduation.

He was married to Mary Susan Williams, of Newton, Georgia, November 14th, 1877, who shared with him his struggles and triumphs through all these years, and is left to mourn the departure of her loyal and devoted husband. His daughter, Mrs. Elizabeth Sheats Davidson, also survives him. At the age of 15, he came to Florida as a permanent resident, and his life almost at once began to be interwoven with her history. After his graduation, he devoted his life to the cause of education. He served as principal of high schools and seminaries sixteen years in all. It was while he was professor in East Florida Seminary, Gainesville, that I first knew him, and had the privilege of sitting at his feet, as a student in that institution. That was some forty-two years ago. There and then I learned to know and appreciate his many sterling qualities, and render loving admiration to him. He served as County Superintendent of Alachua's schools for twelve years. His record of twenty-one years as State Superintendent has not been equalled, to my knowledge, in our nation. And what those years meant to our state a readier pen than mine could not justly portray. Out of chaotic conditions he brought order to our schools. Incompetence in this service lost its place, to the great benefit of the children and youth of Florida.

As a member of the State Constitutional Convention in 1885, it was his mind that framed and secured the enactment into constitutional law, the article pertaining to education, which has been the foundation of our educational progress in Florida since.

He was trustee of the East Florida Seminary, and Southern College, a member of the National Educational Association, Southern Association, and State Educational Association. He was a Free and Accepted Mason. Author of eleven volumes of Florida School Reports. These are the outlines in service to his state, but how meager compared with his part in her history, growth, material and mental development! His was a busy life, and he literally "wore himself out" in the service of the state and people he loved so much. The best of his record has not been recorded. William N. Sheats was a devoted Christian, after the pattern of Methodist devotion to Christ and his cause.

I knew him as "A Member" of the Church, giving to it the same untiring devotion that he gave his state. Others never carried his obligations, either in money or service. As a steward he was faithful. Sunday school superintendent for many years, he put into this work the same thought, sought the same efficiency he demanded in public school teachers. His heart was in it. He despised what he called "perfunctory performances" in the discharge of any duty, to the state or church.

I served with him many years upon Boards of the Annual Conference, and he never shirked, or dealt lightly with these responsibilities. He was as painstaking in a report to the conference as in the preparation of bills for introduction in the Legislature. In his school days, he was co-temporary with some of our leaders in the church. He was a Methodist, not from inheritance or association, but from a full knowledge of her teachings and history, and an experience that was in perfect accord with her spirit and purpose.

Our church is sorely bereaved and has suffered incalculable loss in the "passing to the upper place, prepared by our Saviour," for this brother beloved. Not only metaphorically, but literally we can say, "A prince and a great man" in our Israel hath ascended.

No truer patriot ever struggled, bled and died for his country. His life was one long battle for the betterment of his fellowmen, mentally and spiritually. His death, (He Is Not Dead!) let's say, "departure," was sudden, and yet "Calmly he went to where death is no more. Voices have blessed him, before silent and dumb." Voices will bless him, in long years to come.

IRA S. PATTERSON.
